

B300

FOR A PERFECT CREASE

B300

FOR A PERFECT CREASE

Resistant to all the elements and dirt – the Brustor B300's durable fabric roof provides perfect protection. The horizontal layout and concealed mounting fixtures result in a sleek design. Without a screw in sight, the frame's hidden drainage system invisibly drains water away. User-friendly remote control or smartphone control.

SPECIFICATIONS

- Retractable roof with water-proof fabric
- Light and shade that's just right
- Stand alone or lean-to

BENEFITS

- ✓ Perfect dosage of light and shade and aeration
- ✓ Extra cosy on your terrace thanks to the various personalisation options

OPTIONS

Dimmable LED lighting

LED spots are dimmable and possible in the intermediate beams and the frame on all sides. Both white and RGB direct and/or indirect light on the gutters is possible.

Patio heating

Powerful patio heating (2000 W or 2200 W) for cool evenings. You can combine different elements in one module. Available in black, white and anodized. (depending on model).

Options

Dimmable LED lighting

Patio heating

Bluetooth speaker

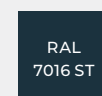

Electrical socket in pole

Integrated screens

Colours

All other RAL colours optionally available

All data is still subject to change.

Bluetooth speaker

Splash-proof IP65 Bluetooth speaker available in black or white.

Integrated electrical socket

Splash-proof IP54 electrical socket on inside and outside.

Integrated screens

Integrated screens are possible on all sides. You have the choice between a wide range of colors and transparency of the screen fabric.

Door pole

An additional door pole is possible to spread your integrated screens over the width and thus retain a door opening. For large versions with a double roof this may sometimes be necessary as support.
