# INDOOR SCREEN

THE ULTIMATE IN INDOOR SUN PROTECTION

Brustor's indoor screens boast a sleek design and are discreetly installed in a recess.

You retain a grand view of your garden while keeping the gaze of prying eyes out.

By selecting projector fabric, you can project your favourite films on the screen with a beamer and create your own home theatre. That's practical and fun!

- Ideal solution for large glass windows up to 18 m<sup>2</sup>
- Elegant and functional
- For indoor use
