

B720

ULTIMATE FLEXIBILITY

B720

ULTIMATE FLEXIBILITY

B720 is the ultimate flexible patio cover. Combining an area with a fixed glass or sandwich panel roof and a section with rotating louvers opens up a world of possibilities. Imagine a dry space with an outdoor lounge or dining furniture and an outdoor kitchen, a stylish sheltered bar, or garden storage paired with an inviting outdoor terrace.

SPECIFICATIONS

- Fantastic natural light in your home with a fixed glass roof
- Permanently dry patio area
- Available with glass or sandwich panels
- Sleek design
- Hidden drainage inside posts

BENEFITS

- ✔ Perfect dosage of light, shade and ventilation
- ✔ Design more elegant than ever
- ✔ Optimal incidence of light thanks to the unique combination of glass and louvers
- ✔ Permanently dry patio area
- ✔ No visible screws

OPTIONS

Dimmable LED lighting

The LED strips in the louvers give a beautiful light. Because the lighting is adjustable, it is also possible to create the desired atmosphere. LED spots are possible in the intermediate beams and the frame on all sides.

Patio heating

Powerful patio heating (2000 W or 2200 W) for cool evenings. You can combine different elements in one module. Available in black, white and anodized. (depending on model).

DIMENSIONS AND DETAILS

Maximum dimensions

6 m x 7 m with 2 additional support posts

Operation

Somfy RTS remote control

Somfy IO remote control

Remote control

Options

Dimmable LED lighting

Patio heating

Bluetooth speaker

Electrical socket in pole

Integrated screens

Rain- and snowsensor

Colours

All other RAL colours optionally available

All this data is still subject to change.

Bluetooth speaker

Splash-proof IP65 Bluetooth speaker available in black or white.

Integrated electrical socket

Splash-proof IP54 electrical socket on inside and outside.

Integrated screens

Integrated screens are possible on all sides. You have the choice between a wide range of colors and transparency of the screen fabric.

Door pole

An additional door pole is possible to spread your integrated screens over the width and thus retain a door opening. For large versions with a double roof this may sometimes be necessary as support.
