

B700
SLEEK DESIGN

B700

SLEEK DESIGN

This innovative, closed-roof patio cover is compatible with sandwich or glass panels, with maximum natural light in your home when you choose glass. The B700 is also a natural choice for a stylish carport, or jacuzzi or outdoor pool enclosure. The B700 can be coupled. Extendable in length or width, that opens up a world of possibilities.

Patio heating

Bluetooth speaker

Electrical socket in pole

Integrated screens

Colours

All other RAL colours optionally available

All this data is still subject to change.

Bluetooth speaker

Splash-proof IP65 Bluetooth speaker available in black or white.

Integrated electrical socket

Splash-proof IP54 electrical socket on inside and outside.

Integrated screens

Integrated screens are possible on all sides. You have the choice between a wide range of colors and transparency of the screen fabric.

Door pole

An additional door pole is possible to spread your integrated screens over the width and thus retain a door opening. For large versions with a double roof this may sometimes be necessary as support.
