

B600 S

CREATING OPENNESS

B600 S

CREATING OPENNESS

The elegant B600 S patio cover provides the perfect sun protection. With louvres that retract to almost the full length, you get the best natural light across all seasons, even indoors. A gorgeous sunny autumn day, or one that's overcast, or even during light showers? The B600 S adapts to your needs all year round. Even better, B600 S's integrated screens provide you with the best protection.

SPECIFICATIONS

- Compact retractable S-shaped louvers
- Roof opens up to 87%
- Sophisticated drainage system
- Remote control included

BENEFITS

- ✔ The best possible protection thanks to the integrated ZIP screens
- ✔ Operation with smartphone via Bruster Connect App
- ✔ A sliding roof that takes up 13% of the total surface area when fully open.

OPTIONS

Dimmable LED lighting

The LED strips in the louvers give a beautiful light. Furthermore, they are dimmable. LED spots are dimmable and possible in the intermediate beams and the frame on all sides. Both white and RGB direct and/or indirect light on the gutters is possible.

Patio heating

Powerful patio heating (2000 W or 2200 W) for cool evenings. You can combine different elements in one module. Available in black, white and anodized. (depending on model).

Bluetooth speaker

Electrical socket in pole

Integrated screens

Colours

All other RAL colours optionally available

All data is still subject to change.

Bluetooth speaker

Splash-proof IP65 Bluetooth speaker available in black or white.

Integrated electrical socket

Splash-proof IP54 electrical socket on inside and outside.

Integrated screens

Integrated screens are possible on all sides. You have the choice between a wide range of colors and transparency of the screen fabric.

Door pole

An additional door pole is possible to spread your integrated screens over the width and thus retain a door opening. For large versions with a double roof this may sometimes be necessary as support.
